Delegate Michael Smigiel Endorsed by Both the Maryland League of Conservation Voters and the National Federation of Independent Business.

Elkton, Maryland—Delegate Michael Smigiel (36th District) today received notification that he was being endorsed by the Maryland League of Conservation Voters as well as the National Federation of Independent Business. Delegate Smigiel stated, "It is ironic that both endorsements were received on the same day because supporting business or supporting the environment are often considered to be conflicting interests. This clearly shows that business and conservation of the environment are not necessarily opposing and that you can effectively serve both constituencies."
